

March 20, 2020

Dear Board and Advisory Board Members,

Hi everyone! My name is Adam Guillette and I am proud to be the new Membership and Grants Manager and the newest member of the Historic Saranac Lake team! I grew up locally in Morrisonville NY and graduated from Saranac High School. After graduating I went on to attend college at SUNY Plattsburgh where I studied Sociology, graduated with a bachelor's degree, and became very passionate about wanting to help strengthen our community!

After graduating from Plattsburgh State I decided to serve two terms of service as an AmeriCorps member at our local Red Cross chapter in Morrisonville. During my terms of service I was a Preparedness Coordinator and Instructor where I worked closely with schools, senior centers, and community organizations in Clinton, Franklin and Essex County to provide a variety of programs, presentations and outreach opportunities. One of my favorites was teaching our Scrubby Bear hand-washing program to young kids who always made me laugh with their responses and keep me on my toes.

Following my two terms of service I got the opportunity to work on a couple local political campaigns. As a Regional Field Director on one of the campaigns I was responsible for directly managing our Plattsburgh office and remotely overseeing our Saranac Lake office. During that time I got to recruit, train, and work with a diverse team of interns and volunteers and had the great opportunity to talk with numerous members of our community about the issues that matter most to them!

With the skills I have gathered from previous jobs and my passion for helping the community it is my great hope that I can be an asset to the Historic Saranac Lake team and help build on the great work that is already being done here!

Thanks everyone and I am looking forward to working with all of you and please feel free to reach out to me anytime at adam@historicsaranaclake.org.

Adam Guillette
