

Make Your Own Panel

Using the museum panels as an example, fill in the boxes with the prompts below to create your own Pandemic Perspective Panel.

Choose a word to represent an experience or emotion you have noticed during the time of COVID-19:

Research a quote from fiction or literature that resonates with the word you chose:

Write a statement about COVID-19 or interview someone about their experience that relates to the word you chose, or interview someone you know about their experience during COVID-19 that relates to the word you chose:
