

**A HISTORICAL BIBLIOGRAPHY OF THE BUILT ENVIRONMENT
IN THE ADIRONDACK REGION OF NEW YORK STATE**

Compiled by Richard Longstreth

1996, revised 27 April 2007

This bibliography was initially compiled for the Society's 1996 domestic study tour of the Adirondacks. It consists of both scholarly and popular studies, primarily from the past thirty years. Some pertinent sources of the period are also included in a separate section.

Special thanks goes to Edward Comstock, Jr., Steven Engelhart, Mary Hotaling, Howard Kirschenbaum, and Paul Malo for adding to the list.

Additions, corrections, and updates are welcome. Please send them to me at rwl@gwu.edu.

GENERAL HISTORIES AND RELATED STUDIES
