Historic Saranac Lake to Host Tour and Reception at White Pine Camp

Saranac Lake, NY -- On Sunday, September 14, Historic Saranac Lake will host a fundraiser event titled, “Welcome to the Summer White House.” The setting will be White Pine Camp, an Adirondack Great Camp built in 1907, where President Calvin Coolidge spent ten consecutive weeks during the summer of 1926.

Guests will take guided tours of the buildings and grounds from 2:00-3:30 p.m. followed by a wine reception featuring favorite foods of various U.S. Presidents. The reception will be held at the water's edge in the Camp's boathouse on Osgood Pond.

Tickets are \$20 per person to support Historic Saranac Lake and White Pine Camp. Tickets may be purchased online at www.historicsaranaclake.org or by check. Call Historic Saranac Lake at 518-891-4606 for more information.

Founded in 1980, Historic Saranac Lake is a not-for-profit architectural preservation organization that captures and presents local history from their center at the Saranac Laboratory Museum.

In the tradition of the Adirondack Great Camps — magnificent rustic compounds of comfort built a century ago by the rich and powerful on wilderness estates — White Pine Camp offers a year-round restful retreat in unparalleled natural surroundings.
