Re: Adirondack Architectural Heritage (AARCH) and Historic Saranac sponsor Pioneer Health Resort tour

SARANAC LAKE: Pioneer Health Resort

Tuesday, June 22

Co-sponsored by Historic Saranac Lake (HSL), this tour will be led by Mary Hotaling, former executive director of HSL. It will include many of the buildings and sites that made Saranac Lake America's "Pioneer Health Resort." The village's late 19th- and early 20th-century history is closely tied to the treatment for tuberculosis developed by Dr. Edward L. Trudeau. The tour will include the Trudeau Institute, where we will see the first cure cottage, Little Red, and the bronze sculpture of Trudeau by Gutzon Borglum. We'll visit the former Trudeau Sanatorium, Saranac Laboratory, Union Depot, the Cure Cottage Museum, and the Béla Bartók Cottage. The tour begins at 10 a.m. and ends around 3 p.m. Be prepared for uphill walking. The fee is \$35 for AARCH and HSL members and \$45 for non-members. Tour attendees will also receive a copy of Cure Cottages, by Phillip L. Gallos. Reservations are required for all tours by calling AARCH at 834-9328.

Adirondack Architectural Heritage (AARCH) is the private, non-profit, historic preservation organization for the Adirondack Park region. This tour is one of over fifty events in our annual series highlighting the region's vast architectural legacy.
