Dear

You know that our mission — *to preserve and share area history and architecture to build a stronger community* — matters now more than ever. Historic Saranac Lake is one of the key local institutions that holds our community together and builds a brighter future.

Your membership dues and other donations make so much possible. Thank you! Your donations have supported oral histories, the preservation of our museum collection, presentations for school groups, advocacy for architectural preservation, Letters from the Porch, and so much more!

At the end of each year, we appeal to our members and friends for a special contribution. Please help us make a strong start in the new year with a gift to our Annual Fund!

It's been a challenging year for all of us, but we are here, and we are gearing up for a new day. Next spring, the hammers will start flying, as we begin the work of establishing an exemplary museum campus in beautiful downtown Saranac Lake that presents the rich history of the region.

Please help ensure our programs in the coming year with a gift to the Annual Fund. Together, let's build a stronger community by making history matter!

Sincerely,

Amy Catania, Executive Director
