
YOU ARE INVITED!

Be a part of the new expanded history museum of the Saranac Lake region
This is your museum!

WAYS TO GET INVOLVED

- Dedicate a Brick Paver!
- Support a naming opportunity in the museum.
- Fill out our community survey to share your ideas for the new museum.
- Volunteer for HSL
- Donate items to the museum.
- Become a Member of HSL.

You can participate in all the above ways by going to our website at www.historicsaranaclake.org

ABOUT THE CAMPAIGN

We reached our fundraising goal of \$5.2 Million to support acquisition of the Trudeau Building, planning and construction. Fundraising continues to support the new museum exhibits and a handicap lift at the Saranac Laboratory.

OUR VISION

In 2020, Historic Saranac Lake purchased the former home and medical office of Dr. Edward Livingston Trudeau, located adjacent to the Saranac Laboratory Museum. The Trudeau Building is being restored to establish a museum campus in the heart of downtown Saranac Lake that presents the rich history of the Saranac Lake region as well as the story of the village as a center for tuberculosis treatment and research. The new exhibits will be:

Interactive — Hands-on, multimedia exhibits will capture the interest of visitors of all ages.

Changing — Rotating exhibits will explore a variety of topics of interest to visitors and local residents.

Integrated — The two buildings will be unified into one attractive, accessible museum campus.

Relevant — Laboratory exhibits will connect with modern day issues in science and public health.

DEDICATE A PAVER

Historic Saranac Lake invites you to show your support for the new expanded museum campus by dedicating a brick paver. Personalized brick pavers will be lovely additions to the entrances of the two museum buildings — the Trudeau Building and the Saranac Laboratory.

This is a unique opportunity to support Historic Saranac Lake’s museum expansion by having your name and/or message permanently displayed. A brick paver is wonderful way to honor a friend or memorialize a loved one.
