
THE HSL ENDOWMENT FUND

In December of 2000, Historic Saranac Lake established an endowment fund at the Adirondack Foundation. Our goal is to build an endowment of \$2 million. Assuming a 5% return, this fund will support our annual operating costs and building expenses while providing long-term security. Thanks to past generous bequests and donations, the Historic Saranac Lake Fund at the Adirondack Foundation has grown to over \$340,000

THE ADIRONDACK FOUNDATION

The Adirondack Foundation assists donors with charitable gift planning. It helps donors as they draft a will, seeks ways to generate extra income for donors or their family members, and assists donors in selling or transferring a business, real estate holdings, stock, or other highly appreciated assets. The Adirondack Foundation manages over fifty accounts for various groups across the Adirondack region. HSL's fund is part of this pool of funds, valued at over \$39 million. By pooling our resources with other funds, we are able to hold more diversified investments, and we benefit from lower fees.

ABOUT US

Founded in 1980, Historic Saranac Lake is a not-for-profit, architectural preservation organization that captures and presents local history from our center at the Saranac Laboratory Museum. Accomplishments include:

- Listing over 320 resources to the National Register of Historic Places.
- Administering preservation projects such as the restorations of the Union Depot and Bartók Cottage.
- Producing publications that highlight the lives and architecture of the region.
- Sponsoring a summer music series, walking tours, lectures, and history days.
- Implementing school outreach programs such as guided tours, in-class presentations, and teacher workshops.
- Creating the Cure Porch on Wheels, a mobile exhibit and oral history space that hosts arts and culture programs throughout the North Country.
- Undertaking a major expansion of our museum in 2020 by purchasing and restoring the Trudeau Building at 118 Main Street.
