HISTORIC SARANAC LAKE

Purchase tickets at www.historicsaranaclake.org/events

SAFE HARBOR is a play that illuminates the experiences of many who, made outcasts by tuberculosis, were able to reclaim their humanity in Saranac Lake.

SAFE HARBOR was written in 1990 by Karen L. Lewis, one of the founders of Adirondack Stage Rats, a collective of theatre artists and devotees. Adirondack Stage Rats is dedicated to creating intimate small batch theatre for discriminating play-goers.
